Camper Code of Conduct

Big Brothers Big Sisters of Clarington strives to provide a warm and welcoming environment where all participants can enjoy meaningful and fun filled summer activities. In an attempt to achieve this goal, it is necessary to ensure that all campers adhere to our Code of Conduct.

All campers will treat one another, staff, and the environment with respect.

Teasing, bullying and acts of violence or aggression will not be tolerated.

Behaviours that pose a safety risk to campers or staff will not be tolerated.

If a camper does not adhere to the Code of Conduct, we will take the following steps:

A Counselor will direct the camper to a more appropriate behaviour and the camper will be reminded of the Code of Conduct.

If the behaviour persists, staff will discuss the problem with a parent/guardian.

Staff **will** document the situation in writing. The document will include a description of the situation, what events led up to the situation and what action was taken immediately following the situation.

If the problem persists and a second phone call is necessary, the Camp Director may request to have the camper picked up early from camp *and/or* meet with the parent to discuss the ongoing issue.

If a camper's behaviour at any time threatens his/her personal safety, or the safety of others, the parent/guardian will be notified and expected to pick up the child immediately. The camper **will not** be allowed to return to camp.

If, after attempts to find a solution for inappropriate behaviour fail and the camper does not demonstrate the willingness to adhere to our Code of Conduct, the camper will be asked to leave the camp and camp fees will be returned on a pro-rated basis.

Please ensure that this Code of Conduct is signed by both you and the camper before submitting.
